

PREPARATION

1. How children learn

TASK: Watch the video “TEYL – How children learn” and fill in the gaps.

Link: <https://www.youtube.com/watch?v=pbCiw2TImCk>

→ Jean Piaget: _____ → bring in real objects (realia)

→ _____: children learn through _____

→ Jerome _____: children learn through _____

Teachers can support learners by

- creating _____ (e.g. through songs, games),
- breaking the task down _____ (achievable steps, e.g. show and tell),
- _____ expectations,
- reminding students of the _____ (what they are doing & why), and
- controlling _____ during the task.

Tip for teachers:

“Bring in materials and activities that make learning _____ and _____ for children. Teach them step by step and _____ to set them up for success. And, most of all, make English _____. If they love it, they _____ it.” (by Joan K. Shin, University of Maryland, Baltimore)

2. Pedagogic principles / *Didaktische Prinzipien*

TASK: Read the book excerpt and take notes on the most central aspects.

📖 **Literature focus:** Böttger, H. 2020. *Englisch lernen in der Grundschule*. Julius Klinkhardt, pp. 73-92.
